To Succeed

If you want to succeed in life you must be willing to do, in order to get where you're trying to go. You must have boundaries.

We all break rules at some time in our lives, but we are put right and guided. You need to know where you are going, just like a road map, without a plan it's like a road to nowhere.

First is your goal, then your plan, and then your process. You will not get there overnight but it takes time to go through the right steps and you will succeed.

God will guide you and lead you to others for help.

When God helps you this is just the beginning, you yourself will manage it.

The Psalmist prayed, "Order my steps in they word establish my footsteps in(the way of) your words;

Do not let any human weakness have power over me (causing me to be separated from you)"

Psalm 119

Jesus Holds the Future

You can trust in Jesus.

In Jesus hands you are always safe. He is always there for you.
He will be there for you today, tomorrow and every day after.
His words say

"For I know the plans and thoughts that I have for you, says the Lord , plans for peace and well-being and not for disaster to give you a future and hope."

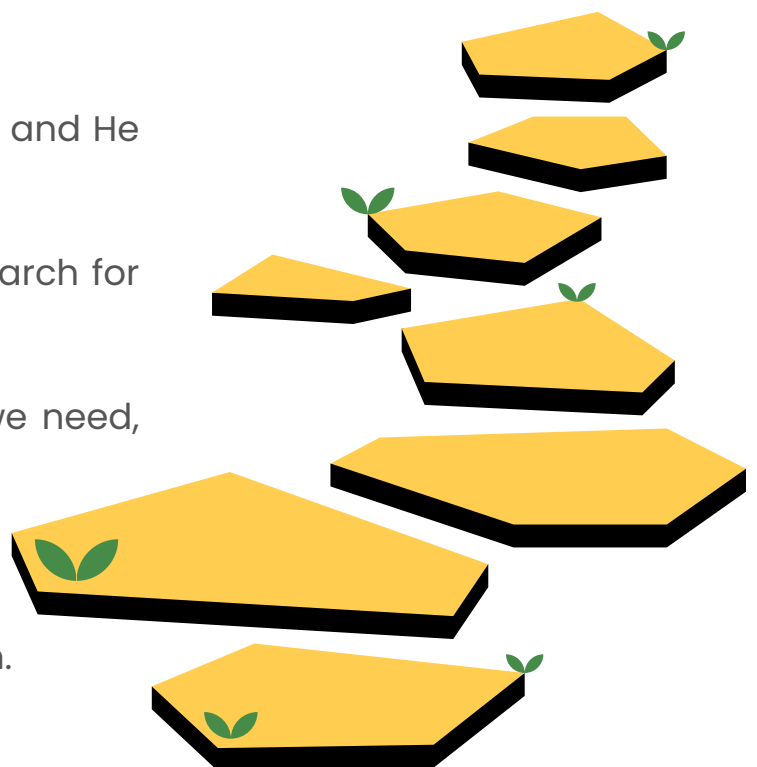

JEREMIAH 29:11-12

Jesus will hear you (your voice) and He will listen to you.

You will find Jesus when you search for him with your heart.

God will give us the direction we need, this is what our faith is about.

He is leading us to the right path.

Thinking About Ourselves

We always put others first, which is not a bad thing, we are there to help each other, but when do we actually think about ourselves?

What do we need?

What is our purpose?

What is our vision?

What is important for ourselves?

Most of the time we live our lives thinking about what other people think about us and what we should or should not be doing.

We follow the paths of others and sometimes we become disappointed in life and sometimes angry.

Ask yourself: **What do I actually want to do in life?**

Be like Paul: "By the grace of God, I am what I am, and His grace toward me was not without effect. In fact, I worked harder than all of the apostles, though it was not I, but the grace of God (His unmerited favour and blessing which was) with me."

Be Strong, Be Courageous

The more you do something, the better you become!

You may look at doing something and think I can not do this, but you can!

The more you try, the better you will become, as God is always with you. He will give you solutions for your problems and He will give you strength for your battles.

Trust in God and trust in yourself. God will make sure everything is in place for you one step at a time.

We will all have daily struggles but with courage, you can do it.

“

Have I not commanded you?
Be strong and courageous. Do
not be afraid; do not be
discouraged, for the Lord
your God will be with you
wherever you go.

Testing Your Faith & Growing

James 1.4

"And let endurance have its perfect result and do a thorough work, so that you may be perfect and completely developed (in your faith), lacking in nothing."

You may have troubles around you, but you find a way to work things out, like testing your faith. You should ask God for wisdom and it will be given to you, when you ask, you must have faith. If you have doubts where will this get you?

Your faith grows when it's tested.

God will give you wisdom.

God can not answer all your why's, so pray and ask what changes you need in life.

God will answer.
